

TOKICO (USA), Inc. is a Tier One/Two parts supplier to the automotive industry. We produce the highest quality shocks, struts, air compressors and braking systems in our Berea, Kentucky manufacturing facility. We currently have additional staffing needs for the following positions:

Buyer (Job Code: BU-4/09). Qualified applicants must have 3-5 years experience (preferably Tier One automotive manufacturing) in purchasing, sales, or marketing. Bachelor's degree is preferred. Must have the following: professional, interpersonal, verbal and written communication skills, a proven track record of successful negotiation with vendors/customers and assessing vendors, highly developed organizational skills, the ability to prioritize, handle multiple projects simultaneously, and meet deadlines.

Quality Engineer (Job Code: QE-4/09). Qualified applicants will have a (4) year degree in an engineering field, and 3-5 years experience in Tier One automotive quality assurance. Successful candidates will have experience in resolving quality concerns and implementing corrective action measures.

Production Supervisor (Job Code: PS-4/09). Qualified applicants will have 3-5 years Supervisory Experience in an automotive manufacturing environment, with proven leadership skills necessary to meet production deadlines. Must have mechanical aptitude to troubleshoot and resolve equipment issues. A 4-year degree is preferred.

Production Team Member (Job Code: TM-4/09). Qualified applicants will have industrial manufacturing experience in welding, painting, plating, machining, and/or assembly operations. Qualified candidates will have a HS Diploma/GED and be available to work a second shift position with working hours of 5:30pm to 2:00am.

All candidates are subject to mandatory work reference check, drug screen, and criminal background check. Some positions will require successful completion of physical examination. TOKICO (USA), Inc. is an Equal Opportunity Employer (M/F/D/V), offering competitive pay and a great benefits package.

Deadline for accepting resumes is 5/23/2009. Qualified applicants should submit resume to:
